

Tjornes Watec All-Sky Images 20181219–20181220

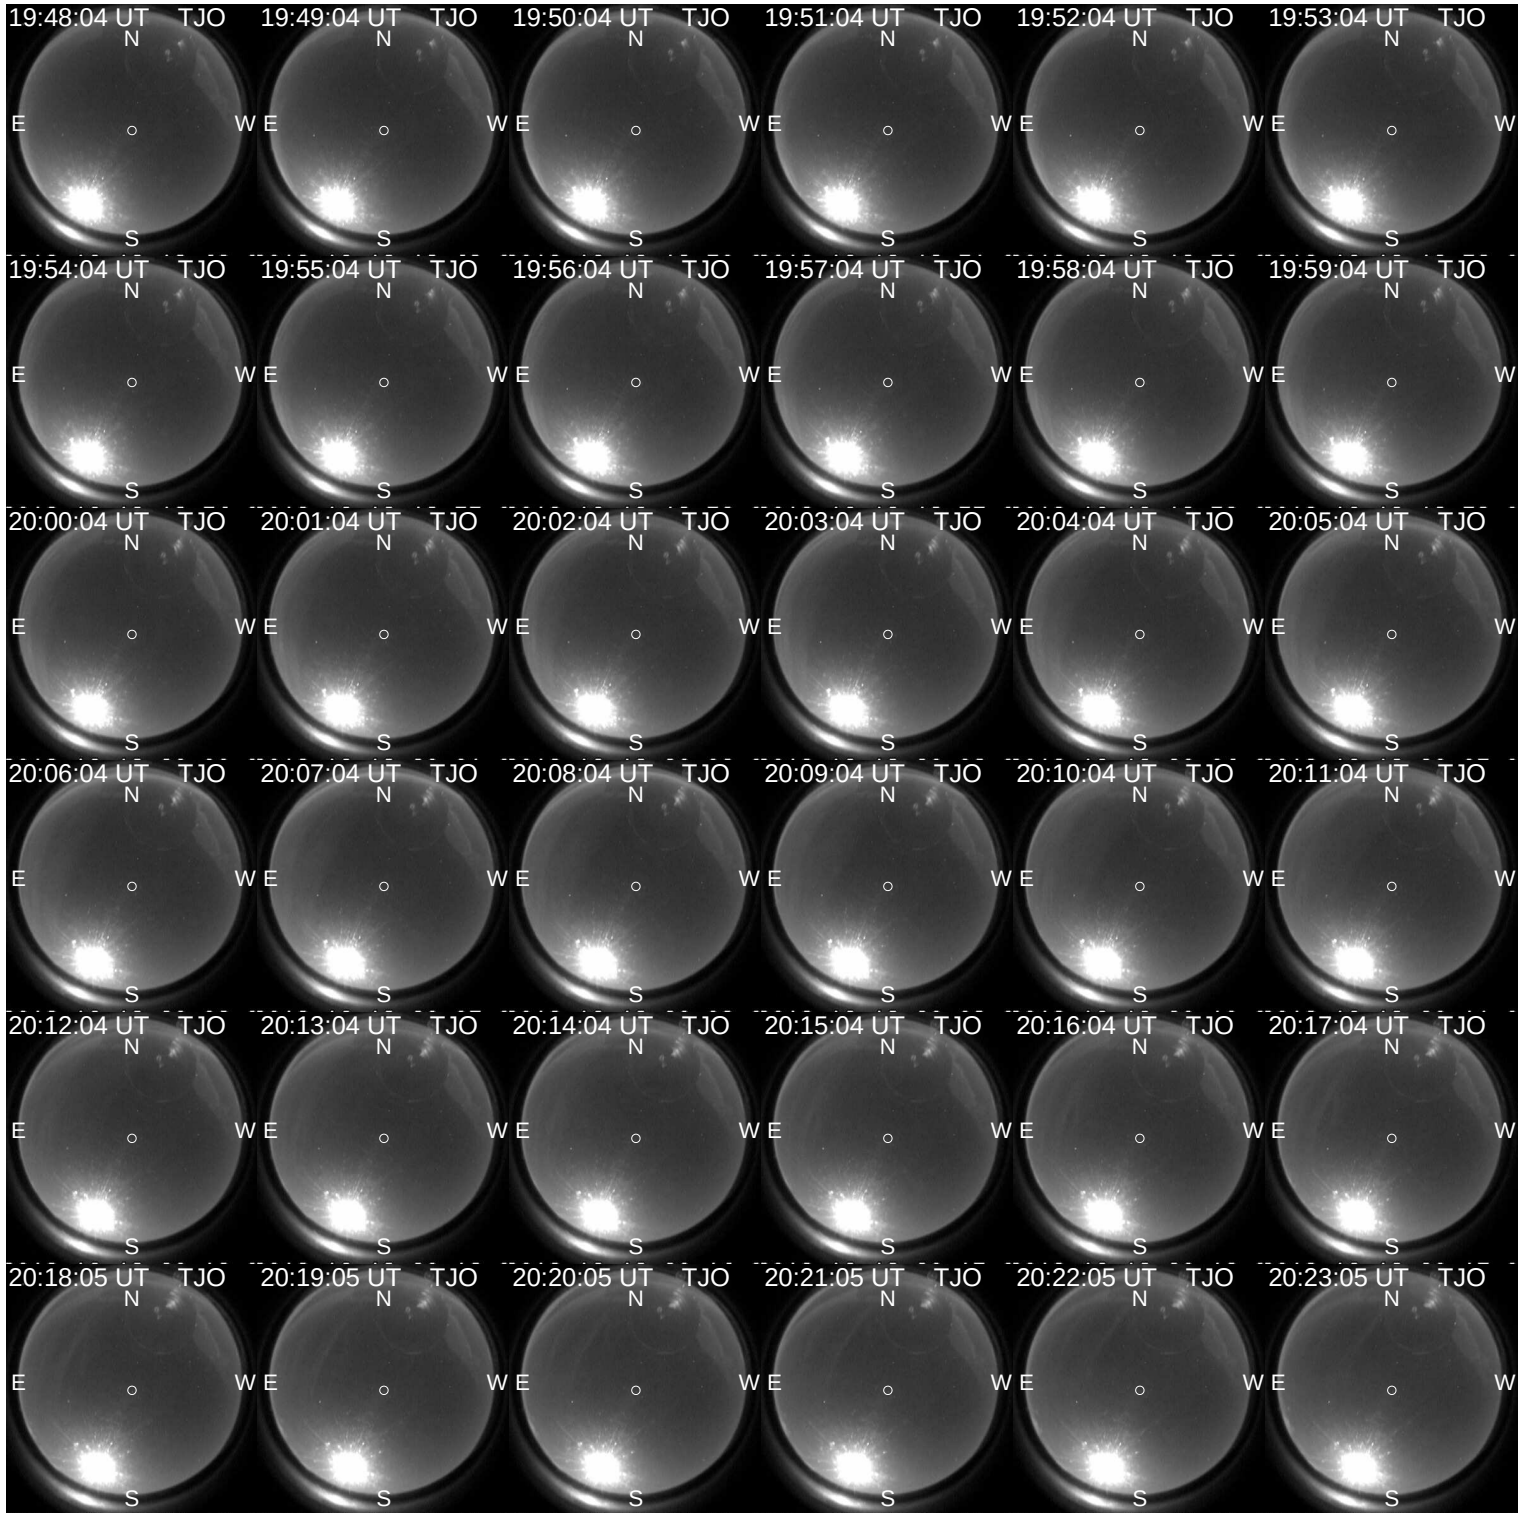

Tjornes Watec All-Sky Images 20181219–20181220

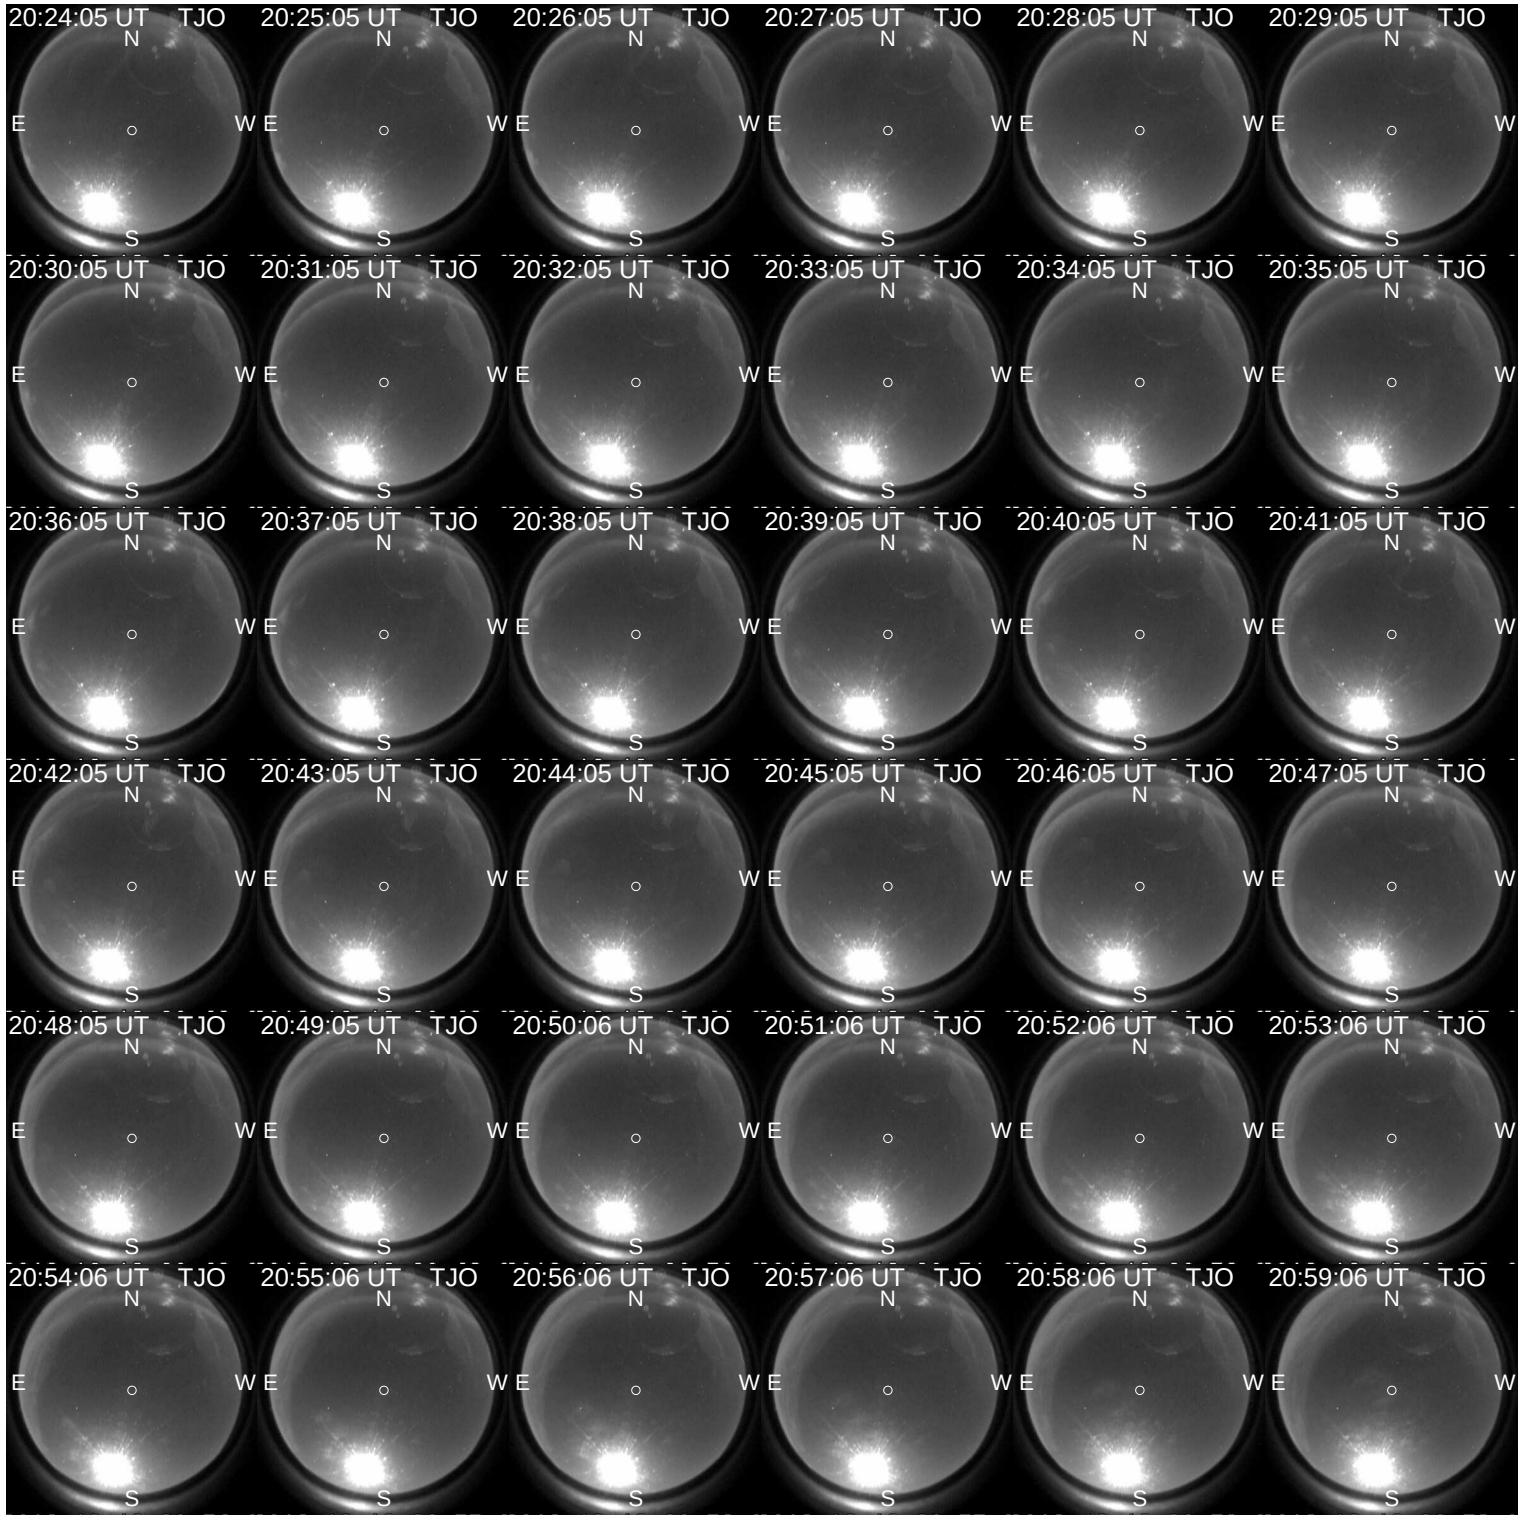

The figure displays a 6x6 grid of 36 circular grayscale images, each representing a frame from a solar eclipse sequence. The images are arranged in six rows and six columns. Each image is labeled with its corresponding time in Universal Time (UT) at the top, and the cardinal directions (E, S, W, N) are marked around the perimeter. The TJO (Totality Just Over) status is indicated by a small circle in the center of each image. The sequence starts at 19:12:02 UT in the top-left corner and progresses to 19:47:03 UT in the bottom-right corner. The images show the gradual progression of the eclipse, with the sun's disk becoming increasingly obscured by the moon's shadow over time.
